Friend --

The summer season is upon us and that means the new Hollywood Pool will be up and running again starting this weekend.

The pool, which is located at the Hollywood Recreation Center at Santa Monica Boulevard between Cole Avenue and Cahuenga Boulevard, opened to the public for the first time last summer after an extensive renovation project. The 9,575-square-foot pool features a slide, three shaded bleachers, and California-friendly landscaping.

The recent renovation included the pool and pool building, and used Prop K funds to construct a new ADA-compliant facility. Prop K is a bond initiative and annual property assessment that provides money for parks and recreational facilities.

Recreational swimming hours will be from 2-5 p.m., Monday through Friday; 1 to 5 p.m. on weekends. The general admission cost is \$3.50 for adults ages 18-64, \$1 for children under 17 and seniors 65 and older. There is also an unlimited pass for children 18 and under for \$10 through Labor Day.

For information, call the pool office at (323) 460-7030, or visit [www.laparks.org](http://www.laparks.org). This season is sponsored in part by Kaiser Permanente Operation Splash Program.

I am looking forward to opening the pool once again and making this opportunity available to my constituents. I want to thank the Department of Recreation and Parks for their service and all the staff members at the pool who are working to keep visitors healthy and safe.

Warm regards,
